

Date: 06 April 2021**C-PEC Certification courses – Online Examinations, FY 2020-21**

1. C-PEC had conducted online examinations for its certification courses in the month of January / February 2021 and the results were announced in the month of March 2021. The link to generate system based marksheets is available on our website.
2. The candidates, who have not received the system generated marksheets through e-mail, may download from our website from available link.
3. It is found that some of the candidates, who have failed because of less marks in one of the subjects, are requesting C-PEC for re-evaluation of their concerned papers OR pass them with grace marks.

In this connection, we would like to clarify that the *examinations were conducted online and the results are system generated. The request of re-evaluation of papers or awarding of grace marks is not feasible and will not be entertained by C-PEC in future.*

All the candidates who were not able to qualify the examinations in FY 2020-21 *are advised to reappear in FY 2021-21 as per their eligibility.*

4. Further, we would like to share with you all that C-PEC intends to launch *Online Membership & Examination Enrolment process* from FY 2021-22. We are planning to announce the certification courses in the month of May 2021 for FY 2021-22.
